

School Supply List - Little Sprouts Preschool

- Gallon sized zip lock bags
- A box of Crayola brand washable markers
- Large Box of Tissues
- A Container of Baby Wipes, or an environmentally friendly antibacterial wipe (not a disinfectant for wiping off surfaces)
- One or more glue sticks
- Composition book (not a spiral bound book, we need the kind with pages permanently sewn in)
You may use last year's note book, if the second half of pages are still clean.
- A box of "dry erase" markers. These should be standard size, the thickness of regular pencils - not the chubby size. The kids use these every day for name writing practice and the fat ones don't fit their little hands.
- A complete change of clothes in a bag that is clearly marked with your child's name in large print. We need to be able to find it quickly from among all of the other students' clothes if we need it in an "emergency". Be sure to include socks for days when we do fire drills, and may need to change into dry socks when we come back inside.
- A small hand drying towel with your child's name clearly marked on it - either with stitches or magic marker or another sort of label. These will be laundered once a week. If you're able, we'd appreciate sewing a small loop onto a corner of the towel to make it easier to hang on the hook. Don't worry if you're not good at sewing, we'll work it out!
- *Optional* - a container of Tacky Glue - the special heavy duty glue that is useful for attaching larger items to collage and other art projects - you can find this at Craft stores like Michael's or JoAnne's
